The individual crafter is responsible to maintain a presence at their table during the operating hours of the Fair. A.C.R.S.S. and the Committee will not be held responsible for tables, which are left unattended. Volunteers will be available should you need to leave your table for a brief period; however, they are not responsible should something go missing etc. from your table.

TABLE REQUIREMENTS:

Crafters are required to cover and skirt their table(s). We will make every effort to make electrical outlets available upon request and payment-however electrical resources are limited. Space is limited due to a sell-out event each year. **Your display must be within your 3ft allowance.** If you require more space than this for racks, displays etc. you must purchase additional space or apply for one of the North Pole spaces. **Racks must be maintained so that they do not block the space or view of another crafter, and they must not interfere with safe traffic flow. No placement of product in the aisles is allowed.** Table displays such as lattice at the ends of tables etc. must be kept **below 2ft widths so as not to block neighbouring tables completely.** The height of your display should be reachable by you when standing on the floor.

APPLICATION PROCESS:

Applications are processed/juried based on design, workmanship, saleability, originality and balance (so as to not overbook one category). The final decision is left to the committee's discretion. Acceptance into the current year's fair does not guarantee you a spot in the following year. You are continually juried throughout the event. Every effort will be made to confirm your spot in our fair as quickly as possible.

The crafter is required to provide at least one photo of each type of item they will be offering for sale at the Craft Fair for the purpose of jurying (photos will not be returned - you can send them via email). Returning crafters only need to submit photos of new items they wish to sell. **Only crafts that are listed on your application and approved can be sold.** The committee reserves the right to have any unlisted and unjuried items removed from a crafter's table, or prohibit the sale of items which are considered objectionable.

If you are selling food product, **you must attach a current copy of your "Food Safe Form"** to your application and have it on display at your table during the fair. **No hot food or beverages, cooking, or open flames are allowed at the crafter's table.**

All products must be the original work of the craftsman. No Imports or resale. Commercially manufactured products are not allowed and if your product is deemed to be *commercial you will be asked to leave and your registration fee will not be refunded.(some exceptions apply, must be approved by the coordinator/committee ahead of the fair) Please do not “fundraise” for a non-profit group at your table, i.e. No raffles at tables, no exceptions.

PAYMENT AND REFUNDS:

Any cheques returned by your bank must be replaced by certified cheque or cash immediately (within 5 days of the crafter being notified). Failure to comply will mean the crafter's application will be considered void, and the table will be made available to another crafter. A \$25 NSF fee will apply. Your vendor spot will not be considered confirmed until payment is received.

A Crafter may cancel a reservation and receive a full refund if the Carney Craft Fair Committee is notified by the Withdrawal Date (see Key Dates below). No refunds will be given after that date, and your payment will be considered a donation to the school, as this is a fundraising event. The crafter shall not sublet their table to any other person. Please note that all refunds are subject to a \$20 administration fee.

While we will do our best to place crafters as requested, **there are no guarantees.** **Final table placement** is at the discretion of the Carney Organizing Committee. The Floor plan is created in the few weeks leading up to the fair to accommodate any cancellations or changes that have been made. You will receive your floor placement upon arrival at setup for the fair.

DONATED ITEM:

The Christmas Craft Fair at Archbishop Carney Secondary is a fundraiser for our school. Crafters are **requested to supply a donation of their hand-crafted items** (approximate \$10.00 value) for a raffle basket, ***to be collected upon Check-in at 5pm Friday evening or by 9:00am Saturday for those who set up Saturday morning.*** Be sure to include your business card and we thank you for your support. If your handmade items are of a high value and you wish to donate something of a smaller value, then something suitable for the craft raffle basket would be very appreciated.
