

Archbishop Carney *Family Walkathon 2021* *“Walking Forward Together”*

Dear Parents & Students,

This year’s walkathon will look similar to last year, as we continue to navigate through our pandemic. Our Family Walkathon “*Walking Forward Together*” will take place on the weekend of October 15. Students and their families will have 3 days to participate in this year’s walkathon with Friday, October 15, as a day off to kick start your walk.

In the past, this fundraiser has been very successful in helping us raise funds for projects outside our normal budget. Our goal is to raise \$40,000 this year. In previous years the funds have gone towards helping the school purchase; 3D printers, outdoor basketball hoops, concrete ping pong tables, outdoor picnic tables, water stations, hand dryers for the washrooms, bleachers for the sports fields, and new school buses.

Prizes will be awarded to students based on contributions and will follow the following guidelines:

How will this work:

- Every student that donates (minimum \$75) will have their name added to the prize draw.
- For every additional \$25 you raise, your name will be added. (ie. If you raise \$100 your name will go into the draw twice)
- Our exciting list of prizes will be announced prior to October 15th.

We are hoping that all families will use CHIMP, our easy on-line donation process. To donate please visit our website at acrss.org and click the “Donate” button. By using CHIMP, families will receive their tax receipt promptly and automatically by email and our school will receive donations quickly and efficiently. Of course for those families not comfortable with online donations we are accepting cheque donations.

Thank you,

Pierre Nolet
Vice Principal
